

Virginia Thoroughbred Association

The Virginia Thoroughbred Association (VTA) was organized in 1942 to cultivate further development of the Commonwealth's heritage as a producer of quality Thoroughbred horses.

With the passage of parimutuel racing legislation, the VTA has vastly expanded the scope of its operations, both to assist in developing rules under which a pari-

mutuel breeders' fund is administered by the Virginia Racing Commission, and to address the opportunities racing holds forth to strengthen and enhance Virginia's standing as one of the world's important centers for Thoroughbred nurseries.

Above all, the VTA is a service organization whose main goal is to assist members in achieving success with Thoroughbreds. *

Virginia Breeders' Fund

Eligibility for registering foals with the Virginia Breeders' Fund:

A Virginia-bred horse is a horse foaled in Virginia, whose dam resides at a Virginia participating facility from Sept. 1 of the year of the foal's conception through the foal's date of birth, is registered by The Jockey Club, and is registered with the VTA.

If the dam of the foal was purchased at a public sale after Sept. 1 of the year of the foal's conception and brought to a Virginia participating facility within 15 days after the purchase date (60 days if purchased outside the US), the mare can meet the residency requirement if she remains at a Virginia participating facility through the date of the foal's birth. The sale

must be a completed public sale or a private transaction as a result of a RNA at the public sale. The mare report is due within 30 days of arrival in Virginia.

The fee to register a Virginia-bred foal is \$25 by Dec. 31 of its weanling year (\$125 non-VTA member fee). If registered as a yearling the fee increases to \$50 (\$150 for a non-member) or if registered as a 2-year-old or older the fee is \$200 (\$300 for a non-member).

A Virginia-sired horse is a horse registered with The Jockey Club, conceived in Virginia, foaled outside the state and sired by a Virginia stallion registered with the VTA. The fee to register a Virginia-sired horse is \$25 (\$125 for a non-member).

Stallion registration:

Virginia stallions must register with the Virginia Thoroughbred Association annually by Dec. 31. The annual registration makes a Virginia stallion owner eligible to receive stallion awards based on the performance of the resulting foal crop from the breeding season in which the stallion is registered (for example Virginia stallions registered in 2025 are eligible for awards based on the performance of their 2026 foal crop). The fee to register a stallion is \$100 (\$200 non-member fee).

Fund distribution:

The Virginia Breeders' Fund is generated by 1 percent of every dollar wagered on live racing, OTBs and ADW in Virginia. The Fund also receives .025 per-

cent from the gross proceeds of Historic Horse Racing. Each year the Virginia Racing Commission approves how the money in the fund is allocated.

A portion of the fund is set aside for payments to breeders of registered Virginia-Breds that placed first through third in open races anywhere in North America (awards are earned for restricted races in Virginia). There is a \$25,000 cap on any single award.

A portion is set aside for payments to owners of registered Virginia Stallions whose Virginia-Bred offspring placed first through third in open races at any racetrack in North America.

See VABred.org for program details. *

No part of this publication may be reproduced, stored in a retrieval system or transmitted in any form or by means electronic, mechanical, photographic, magnetic or otherwise, without the prior written permission of The Jockey Club. The Jockey Club does not represent this information as purporting to describe the fertility of any Thoroughbred stallion. Data provided by The Jockey Club is generally accurate but occasionally errors occur as a result of incorrect data received from others, mistakes in processing, and other causes. The Jockey Club disclaims responsibility for the consequences, if any, of such errors, but would appreciate them being called to its attention. The information is based on Live Foal/No Foal (LF/NF) Reports received as of Oct. 1, 2025. Figures in parentheses next to the stallion's name indicates the number of mares bred to the stallion on Southern Hemisphere time.

2025 Virginia Certified Awards

A Virginia Certified horse is a horse registered by The Jockey Club, conceived and foaled outside of Virginia but maintains residency in Virginia for at least six (6) consecutive months prior to December 31 of its 2-year-old year. The horse must reside at a registered Virginia facility, where the horse is available for inspection by a VACTP official.

In 2025 Developers of Virginia Certified, Virginia-Bred (foals of 2021 and later) and Sired (foals of 2021 and later) horses earned a 21 percent bonus on the winning purse when they won any open race in the Mid-Atlantic region. A 10 percent bonus was earned for wins in Mid-Atlantic state restricted races. The developer is defined as the person or entity listed on the chart as owner when the horse makes its first start. Bonuses are earned for wins in NY, NJ, PA, DE, MD, WV, VA and all NSA sanctioned meets in the Mid-Atlantic region. There is a \$10,000 cap on any single award. Out of state wins during the Colonial Downs meet are not eligible for awards. Wins in Virginia restricted races do not earn awards. Bonuses will not be paid for WV wins beginning with 2023 foals. ***Please see VABRED.ORG program details.**
